IMPACT GROUP QUESTIONS

Opening: Read John 3:16-18. From this passage, what truths impacted you the most?

1. Write out the story of when you came to believe in and trust in Christ as your Savior. Take some time to share some of these testimonies with the group.

2. When we believe in Christ, we are trusting in Him and submitting to Him. In what areas of your life, or how....

...do you need to put more trust in Christ?

...do you need to submit to Christ?

3. "Whoever believes in Him is not condemned." Read Romans 8:1-11.

From this passage, what can we learn about our status in Christ Jesus (condemned vs. free)?

What are some reasons or ways we live as if we've not been set free from "the law of sin and death?"

4. What things of this world do we functionally love more than God?

Application: Who can you share the story of how God has changed your life? What are some ways you can pursue "setting your mind on things of the Spirit?"
