

POWER PRAYER

God has given us an incredible privilege to be partners with Him in furthering His Kingdom on earth. One of the most powerful tools He has given us is prayer. One of our Pillars is “Believing firmly in the power of prayer.” Ephesians 6:18 Prayer in accordance with God’s will has the power to change lives and circumstances. Amazingly, while prayer can have tremendous power and effect, it is something all of us can do. We can pray at any time, in any place.

Sometime during the day, take 30 minutes of dedicated time to storm the throne of Grace! It doesn’t matter if we are mature in our faith or brand new in our faith. God longs to be in relationship with each and every one of us, and He invites us to talk with Him about our smallest concerns as well as our biggest concerns.

As a church, we have an incredible opportunity to jump on board with God as He does some amazing things both locally and around the world. We believe these efforts will be most effective when they are thoroughly immersed in prayer.

We look forward to seeing how our great God *“Who is able to do far more abundantly than all that we ask or think, according to the power at work within us.”* (Ephesians 3:20) answers our prayers...To Him be the glory!
