

Dear...

Have you ever felt led to do something that was so completely out of your “box” or “comfort zone”? I’ll be in preparation for a trip to Chicago this summer to attend Lead THE Cause with Harvest Peoria Ignite from June 18th-22nd.

Lead THE Cause (LTC) is a weeklong summer event for high school students that transform young believers into leaders and life-long disciples who are passionate for THE Cause of Christ and are equipped to relationally share the gospel, resulting in discipleship multiplication.

LTC combines small and large group evangelism training and includes opportunities to engage unbelievers in different contexts. Students will be equipped with practical conversational skills and witnessing approaches. They leave with confidence, a passion for sharing their faith, and the leadership to train others.

That week our team will...

There are two needs that I have in order to make this mission trip a success...

1. **Support me by praying:** I need several people to make it a priority to pray for me leading up to this trip as well as while I’m there. The spiritual warfare aspect is a major factor. Prayer for me. Prayer for the team. Prayer for God’s will to be done above all else.
2. **Support me by giving:** I need to raise about (\$) of my total support (\$) through individual supporters. Thank you for considering this as well.

Enclosed is a Harvest (Missions) Team Support Form. Please fill this out and mail it in the enclosed postage-paid envelope before May 1st.

Thank you for taking the time to read this and also for prayerfully considering your involvement with the Harvest (Missions) Team.
