

On Sunday we had our Baptism services. Impact Group questions will look a little different in light of the different worship service. Together, we celebrated, with those who were baptized, how God has moved in their hearts and what change God has made in their lives.

Opening: What was one baptism testimony that really made an impact on you?

1. How does baptism proclaim the following all at once: Jesus as the Passover Lamb, the great Unleavened Bread, and the Firstfruits from among the dead?

2. Take some time to reflect and consider how God has been moving and changing you over the past few weeks and months.

a. Write those things down.

b. Spend some time having everyone sharing those things and worship God.

IMPACT GROUP QUESTIONS

3. Now, think of some struggles or challenges that are before you. Write these things down.

a. How can you worship God in the midst of these struggles?

b. Is there something God is asking you to surrender to Him?

c. Share these with your group and take a brief time after each person shares to corporately pray for them.

LIFE APPLICATION

Is there anything you need to be doing in light of the challenges you're facing right now? How can your group hold you accountable and pray for you?
